## Presenting Your Personal Invitation to Join the The Maiden Voyages of P&O Cruises New Flagship, Britannia

The largest ship built exclusively for Britain, Britannia will effortlessly combine classic signature features, 'sophisticated wows' and new innovations, making her the most exciting representation of the P&O Cruises experience yet.

Britannia will attract many thousands of newcomers and also resonate with existing passengers. She will offer the 'best of the best', combining the favourite classic features of ships such as Oriana and Aurora and the wide choice and contemporary variety of Ventura and Azura, as well as many new concepts in technology and entertainment.

Combining the excitement of cruising with the sophistication of a five-star hotel, Britannia isn't just the biggest ship ever built exclusively for the British market – she's the most glamorous too. Your first moments on board are sure to be truly memorable as the spectacular 'starburst' centrepiece of her atrium comes into view. All five of our Food Heroes are represented on board Britannia in her bars, cafés, restaurants, menus and cookery school. A theatre with a full LED wall for a truly immersive experience, a seriously stylish spa and a one million pound art collection are just some of the other many highlights that you will discover on board Britannia.

# The Maiden Season of Britannia

Britannia's Maiden Season promises to be one long celebration with crowds waving you off from Southampton and into her Maiden ports of call.

Below and overleaf are details of this splendid new ship's first season. Once you have chosen the voyages that are of interest to you, please telephone us on 0118 949 7701 and we will pre-register your request.

We will do our utmost to ensure that we reserve for you the accommodation and sailing that you have requested when these sailings come on sale on 26th March 2014 for Caribbean, Baltic and Ligurian Tier members of P&O Cruises past passenger Peninsula Club or on 27th March for all other persons. Whilst we have an enviable level of success in this regard, by pre-registering with us, you fully accept that all accommodation is subject to availability and that we are not obligated to make a reservation for you if the accommodation you have requested is not available at the time your pre-registration is processed.

P&O CRUISES

## It's all in the design

Whether you are new to cruising or a veteran of the high seas, your first moments on board Britannia are sure to be truly memorable.

Britannia's sophisticated design plays a huge part in elegantly combining modern British style with tasteful nods to our rich nautical past. The result is fresh - and fabulous.

No more so than in the Atrium. Flanked by three levels of cafes, bars and shops, this is Britannia's social hub.

At the centre of the Atrium hangs Starburst - the biggest "Wow" factor of them all. Part chandelier, part sculpture, it is amazing. Inspired by the days when our ships used stars to navigate, it's gold reflective surfaces bounce light around the Atrium. There has never been a more stylish way to see the world.

## Cunard World Cruises 2015 - Now With Extra On Board Spend!

In 2015 you could join one of Cunard's Three Queens to celebrate two very significant anniversaries, for not only will we be celebrating our 75th year of World Cruises, we will also be celebrating our 175th anniversary – Samuel Cunard founded the line that was to become Cunard in 1840 – adding even more of a sense of occasion and history to these three World Cruises.

The magic of travelling between the world's most iconic destinations on board some of the world's most luxurious ships simply cannot be matched by any other form of travel.

Please note that the additional on board spend promotion ends on 28th February 2014.

### Important Terms & Conditions that apply to all the featured voyages

Each itinerary features a colour coded bar at the top, making it easy for you to compare different cruises going to the region that you are interested in cruising. An aircraft symbol in the bar represents a fly cruise holiday where we have included the flights and transfers in the fare shown. A union flag symbol represents a round trip UK sailing. If neither symbol is shown, then it is a fly cruise where the price shown does not include the flights and transfers. The "M" symbol means that prices and itineraries vary by date. All prices shown are from prices, they are per person and based on two adults sharing, unless specified. Onboard spends shown are per stateroom or suite and may vary by the date of sailing and by the grade of accommodation booked. Sole occupants will receive a lower on board spend and no additional spend is provided for 3rd and 4th guests sharing. All offers are subject to availability and can be withdrawn at any time without prior notice. These offers are for new bookings only and cannot be combined with any other promotional or discounted offer, unless otherwise stated. All the cruise lines featured operate on the basis of "fluid pricing", which means that although all our prices were thoroughly checked prior to printing, some prices and offers may have changed prior to you receiving them. If flights and transfers are included, transfers are not included if you deviate your flights and make independent ground arrangements. All bookings are subject to the cruise line's terms and conditions as stated in their most recent brochure that features the voyage that you have selected. These terms are also available on the cruise line's website and whilst we will ask you if you have read these terms at the time of reservation, it is your responsibility to make sure you have done so before confirming a reservation with us. For Cunard Line, P&O Cruises & Princess Cruises, a 1.5% fee applies to payments made by credit card. In the case of Seabourn, Regent Seven Seas Cruises and Celebrity Cruises, no credit card charges apply.
